

Meta Limited**Environmental Policy**

Meta Limited commits itself to and endorses the need to protect the environment.

Meta Limited also acknowledges and accepts its responsibility to conduct its business in compliance with applicable environmental laws and regulations.

To accomplish the foregoing, Top Management has the responsibility to:

1. Establish an internal review procedure to identify environmental impacts of all functions within the organisation and to assess levels of compliance with applicable laws and regulations pertaining to the environment
2. Develop a programme aimed at safeguarding the quality of the environment and achieving compliance
3. Establish and maintain appropriate training programmes designed to make every employee competent to carry out his or her responsibilities with respect to this policy
4. Report annually on regulatory compliance, issues and improvements.

Environmental Statement

Meta Limited has a vital interest in ensuring a clean, healthy environment.

Meta Limited also relies on a healthy environment so that you, the customer, can enjoy the standard of living and healthy lifestyle that means so much to us today.

As technology advances and regulations change, Meta Limited will continue to improve systems, reduce waste and efficiently utilise resources to meet the environmental challenges of the next century.

Meta Limited will make available to all interested parties, its environmental programme and its environmental control activities.
